# IN THE WORD

Now all the believers were together and held all things in common.

**Acts 2:44 (HCSB)**

There is a commercial I see often in which the lady on the commercial states “team work makes the dream work”. It is a catchy phrase and one that states a simple point, working together with others usually makes whatever we are working on go much smoother. That of course is also true of the church. In the book of Acts, the early church was experiencing the wonderful power of the Holy Spirit and dedicating themselves to praising and serving the Lord. They were doing all they could to meet the needs of those who had them and the body of Christ was growing leaps and bounds. When we work together for the glory of the Lord beautiful things often happen. When we don’t it can be the biggest missed opportunity ever. We may sometimes spend too much time arguing with other believers over things that don’t matter. We argue about different interpretations of scripture, we judge other denominations, etc. These types of things don’t help us and they definitely don’t help the Kingdom of God. Working together is not only important from a disciple making standpoint, it is also important for helping your church body function smoothly and productively to do God’s work. In most churches a handful of people do most of the work leaving them tired and unable to do all that needs done. With a little help though we can all work together and get way more accomplished for the Lord. Ask yourself this question, am I one of the ones who are doing what I can to help my brothers and sisters in Christ, or am I one of the ones that sit on a pew on Sundays and never get involved in much of anything? If you are one that is involved, praise the Lord! If you are not and you realize you want to do more, good news, it is never too late to start! If you are not sure where to start, the best place to start is to ask the Lord and also ask your pastor. There may be opportunities out there waiting for you.
