### OPERATION CHRISTMAS CHILD

We are making our final push to finish packing our remaining shoeboxes for 2022. To celebrate the work that God has done through this ministry and to pray over the boxes before they are shipped out, we will be holding a celebration service on Wednesday night November 16 at 6pm. The following day we will load up the boxes and deliver them for shipping. If you would like to help in any way please let Diane Van Norman know. We can certainly use the help as we make our final push.

# Win the WORD

**“Give thanks in everything, for this is God’s will for you in Christ Jesus.”**  
**1 Thessalonians 5:18 HCSB**

Telling someone “thank you” is not usually a hard thing to do, but sometimes we fail to thank those around us for something they have done for us. Maybe there is someone in your life that you need to say thank you to. If so make sure to tell them. It might mean more to them than you realize. We also fail to thank God for all He does for us. Sometimes we become so overwhelmed with the struggles of life that we don’t recognize all the things that we should be thankful for. We take things for granted, as though we are entitled to many of the pleasures of life we enjoy. When this occurs we may find ourselves looking so hard at what we want, that we forget to be thankful for what we have. Even when life is at its worst, if we take just a moment, there is likely at least one thing we will find that we can be thankful for; our job, our family, our pets, etc. Maybe your life is so stressful right now a single thing to be thankful for is all you can come up with. If so, then be thankful for that one thing and praise God for it! Chances are, if you take five minutes to think you could come up with a longer list than you realize of things you have to be thankful for. As Thanksgiving approaches let us not only thank God for what we have, but also make an effort to use what God has blessed us with to help others around us who have not. Even if there is nothing else in this world we can be thankful for, we can be thankful that God loved us enough that He gave His Son Jesus to die on a cross so that our sins could be forgiven. As bad as this world may be, we can be thankful that through Jesus Christ we can overcome the world! If you have put your faith in Jesus today, you have something to be thankful for.
