Through the years we have made many great friends along the way. We leave the church at 9:30 and head to the apartments. We have a time of fellowship and refreshments followed by music and time in the word. If you would like to join us in this ministry please be at the church by 9:30 on Tuesdays.

Win the WORD

I waited patiently for the LORD, and He turned to me and heard my cry for help.
Psalm 40:1

A while back I was attempting to clean our kitchen aid pasta maker. Pasta had gotten stuck in some hard to reach places and it was a nightmare to clean! After 3 hours I was ready to bang my head against the wall, but with a little patience I was able to get it cleaned and thankfully get it put back together. The pasta maker cleaning process, like many other things in life, requires patience. A lack of patience often gets us into trouble, causing us to give up on things and snap at others around us. **Galatians 5:22** list patience as part of the fruit of the Spirit. Many of us may have to pray to the Lord often in order to obtain enough patience to make it through each day. Whatever you may be going through, patience will always prove helpful in your life. How much patience do I need you might ask? The answer, just a little more. Paul says in **Romans 12:12** *“Rejoice in hope; be patient in affliction; be persistent in prayer.”* Are you calling to the Lord in your affliction? In **Psalm 40 verse 1** David said, *“I waited patiently for the LORD, and He turned to me and heard my cry for help.”* Whether you are losing your patience while cleaning your pasta maker or going through something much more serious, ask the Lord to give you the patience to get through it.
