### FOOD PANTRY MINISTRY

In recent months many have lost their jobs or have seen their hours cut due to the coronavirus. There are some who are in need now more than ever. If you would like to help meet some of those needs the food pantry is a good ministry to consider. We are always collecting food at the church to help support our local food pantry. If you would like to donate food to this cause please bring any donations to the church. If you or anyone you know is in need of food at this or any time in the future please let us know!

### 1 MINUTE MESSAGE

We don't have many activities going on now due to the coronavirus, but if you are looking for more ways to stay plugged in to God's Word you may want to check out our 1 Minute Message's. They are posted every Monday - Friday and can be found on the church Facebook page or listened to on the church website by going to [www.enterprisebaptist.church/1minutemessage](http://www.enterprisebaptist.church/1minutemessage).

### SERVICES RESUMING!

Sunday Mornings @ 9am

The last few months have been difficult for everyone. The coronavirus has turned everyone's normal routine upside down. Whether it be with school, work, or church we have all been effected in some way. We have gone 4 months without meeting regularly, but I feel it is time to resume weekly gatherings. Throughout the month of August (Lord willing) we will be meeting every Sunday morning at 9am in the fellowship hall for services. I ask everyone to please wear a mask and continue to practice social distancing. Seating has been arranged to give everyone enough space to maintain a safe distance from others. Outdoor seating is available for those who do not feel comfortable meeting indoors. We will not be resuming Sunday School classes at this time. If things go well this month we will continue with this arrangement as we continue to monitor the virus closely. If you do not feel comfortable returning at this time you can always find our sermons as well as our other content by going to Facebook or YouTube and searching for Enterprise Baptist Church Liberty MS or visit our website at [www.enterprisebaptist.church](http://www.enterprisebaptist.church).

God Bless,

# WORD

*For whatever was written in the past was written for our instruction, so that we may have hope through endurance and through the encouragement from the Scriptures.*

**Romans 15:4**

Last month I referenced Ecclesiastes and the fact that “there is nothing new under the sun.” That can at times be discouraging, seeing that people today are still as evil as they have always been, but in some ways that statement can be encouraging, knowing that throughout history

God has helped this world and His people overcome some hard times. He has taken situations that appeared to be hopeless and did a mighty works in them. We have wonderful stories of hope and deliverance throughout the Bible and the God of those stories is the same God we serve today. With the unrest in our country and the coronavirus keeping our world out of whack it is easy to get discouraged, but I want to encourage you brothers and sisters in Christ. I want to encourage you that God is still good, He is still with us, and He can still use bad situations for His good. Our hope in Jesus is greater than anything in the world and it is that hope we need to be focused on during these times. I encourage you to read God’s Word.

There is much great instruction and encouragement to be found there. If you are not sure what to read or where to start may I encourage you to read the Psalms. There is great hope and encouragement to be found as you read through each Psalm and they are a great reminder of God’s grace and power. If you are seeking hope and encouragement today I want you to know that it can only be found in Jesus.

Turn to Him and see that there is something better than what the world has to offer.

**There are 20 books of the Bible hidden in the paragraph below. See how many you can find!**

I recently made a remark to a group about creating a word search containing hidden books of the Bible. Some rejected the the facts, but for others it was a revelation. As they began to search some were in quite a jam especially since the names of the books were not capitalized, but the truth finally struck home for large numbers of those looking. For others it was a very tough job. I hope that this search is a most fascinating few moments for you. Yes there will be some really easy ones to spot, but the one who judges those who can’t find them all should repent! I will quickly admit it usually takes a minister to find one of them and there will be loud lamentations if it goes undiscovered. I once knew of a man who said his favorite book of the Bible was Hezekiah and I know of another lady who said she brews a pot of coffee and eats anti moth yogurt so she can concentrate better. Think carefully about the words you are looking so hard for. If you get stuck perhaps you could think clearer by going for a ride in an old Ford Taurus SHO. Seafarers however may be able to think more clearly on the high seas. Who knows, you may even find some by a mere fluke. So if you think that you can compete relax and give it a try! I really hope you enjoy this challenge because it has been difficult to format the word document it was created in.

P.S. Alms should always be given to the poor and needy.
